

## Myths and Legends

Listen and learn! Spark creative art experiences with time-honored stories.

Exciting myths, legends and tales from around the world inspire artwork to narrate stories in new ways. Folded paper puppets, painted story scrolls and sculpted creatures retell our heritage. Open ears, creativity, and good stories are all we need to get started!

Be inspired by international stories while:

- ✱ Combining art skills to explore mixed media
- ✱ Practicing sculpture skills with paper and modeling materials
- ✱ Touring the world through art and timeless stories
